This engraving from the Bettmann Archive shows a typical operating room in the year 1888. Compare this with the sparkling-clean, well-lighted, truly antiseptic operating room of a Blue Cross participating hospital today!

**...thank goodness**  
**times have changed!**

His patient is receiving the best surgical care in the world... by 1888 standards.

Fortunately for us, times have changed. Heart operations, brain surgery, blood transfusions... the achievements of modern medicine are many indeed!

But to make this life-saving care possible, modern hospitals have needed many times more equipment than they had just a few years ago. They need the hands of many more trained people... staff, technicians, specialists... the list is long.

All this costs money... more money than ever before. But isn't the cost of living worth it?

Yes, costs are higher. But more than 3½ million Michigan people are protected against higher hospital bills through their membership in Blue Cross... the community plan that pays all the costs of basic hospital services as you need them. And, through Blue Shield, they receive help in paying for the finest medical care in the world!

Yes, thank goodness times have changed.

## Captain Dave Lowe Leads Grayling Track Scoring For Past Season

**Only One Record Cracked During Year**

Captain Dave Lowe with 81½ points was the top scorer of the Grayling High track team this season. It was revealed when Coach Bruce Smith tallied the records.

Following Lowe was Richard Moore, a junior with 60½ points. Charles Garland with 44½. Don Roberts, a junior with 35½ points and Roger Hatfield, a freshman with 32 points. Thus three out of the top five scorers will be back for another season.

Only one new record was set this year, that in the pole vault. Lowe set a new mark early in the season of 11 feet, 6 inches and was expected to have no trouble in topping 12 feet before the end of the season.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

June 14, 1934

The employees of the Kerry & Hanson Flooring Company have organized a social and business club and are using the Finnish Hall for their meeting place and it will be made into a permanent club-house. This club is to be known as the "Chief Brand Club," so named because of the brand of flooring which the company manufactures. Later a women's auxiliary will be formed. The first picnic of the season will be held Sunday, June 17th at Kyle Lake for members and their families. Officers of the club are: Chairman, John LaMotte; treasurer, William Wilson; secretary, Willard Harwood. At present there are 58 members and soon they hope to have the full quota of 75 or more members.

Grayling's All City baseball team lost to Kalkaska Sunday to the tune of 19-2. Eddie did all the pitching for Grayling, with Rudy Harrison doing the catching. Mr. and Mrs. Harold Cliff are driving a new Chevrolet purchased from Alfred Hanson, dealer.

Charles Wylie arrived home on Wednesday from Olivet College where he finished his sophomore year. He thinks that's a great college, and we think so too.

The Boys Drum and Bugle Corps has been practicing with the band and Friday night will make their first appearance with the band in the weekly concert in the bandstand. Next Sunday Grayling Band goes to Mio to participate in the Northeastern Michigan band picnic and they hope that as many as can will make the trip and spend the day in Mio. If you have room in your car to take a band fellow along notify Bandmaster Clark. The boys Drum and Bugle Corps are also going to be in attendance.

Clare Madsen has completed his cut of shingles for the Hartwick Pines camp museum building, and is moving his equipment to the National Log Construction plant at T-town. Over 200,000 shingles were cut at the Pines. He has enough orders ahead to keep his mill in operation for some time. They manufacture shake shingles in all sizes and thicknesses, from 2 to 6 feet in length, and there is a great demand for them, especially for log cabins.

Last evening a petition was presented to the Grayling township board of 100 or more signers asking that a caretaker be hired during the summer months to look after the cemeteries. The Board taking the matter up decided to hire J. J. Hanselman as caretaker. He is to be paid \$15 for his work from the general fund and will turn back to the township the fees he receives as sexton from now until the first of October. Then it was decided to put the proposition up to the voters at the township election next spring, whether or not to raise an amount by placing it on the tax roll.

Mr. Gierke, in addition to being active in the Cosmopolitan Club, is also a member of the Forum and the Commercial Club.

Henry Jordan employed as foreman on the M. C. R. R. section and who has been located at Indian River, has been transferred to Saginaw and left Sunday night to take up his duties. John Brady, foreman of the local section crew, has gone to Waters on similar duty. The sections at both Grayling and Indian River were abandoned.

## Final PTA Meeting Held May 29th

The final P. T. A. meeting for 1956-57 was held at the school Wednesday evening, May 29th. The Rev. Donald Healy gave the invocation.

A musical program was presented by the Junior Band under the leadership of their director, Leroy Christian. It was most gratifying to see the progress these young people have made; interesting too, to note that some of the young musicians, seated in chairs, were not yet able to reach the floor with their feet and so were tapping a toe in midair, keeping time to the music. This, their very first public appearance, was greatly enjoyed.

The president, Mrs. Robert Funkh, conducted a short-business meeting. It was voted to send two delegates to the P. T. A. workshop to be held at the Conservation Camp, Higgins Lake, June 24th - 28th, following a motion made and seconded by Mrs. Uharley Russell and Mrs. Elmer Fenton.

A report from the auditing committee Mrs. Otis Hunter and Mrs. Charles Kroll showed the treasurer's books in order. A final check shows \$293.44 in the treasury.

A motion made by Mrs. Erwin Wales, seconded by Capt. Phil C. Smith passed as follows: The proceeds of the May Festival are to be kept separately in the treasurer's book and can only be used toward paying for black topping the play ground; in addition any other funds in the treasury over and above the amount necessary to operate the P. T. A. may also be used for the project.

The May Festival netted \$181.87 with \$7.09 of this made on the coffee sale. The affair was most successful and the teachers and

children alike should be given a vote of thanks for their efforts to make it so, also others who had a part in its success. It is hoped the festival will be an annual affair, the one money making project of the P. T. A.

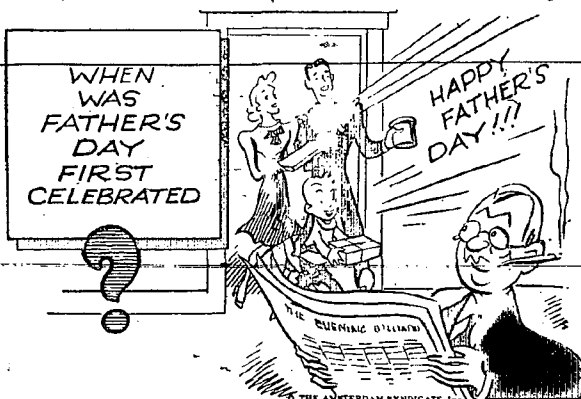

Mrs. Funkh is to be chairman of the Floride Clinic in July and Mrs. Jack Fenton, co-chairman. Their duties are to help Mrs. Gorman set up equipment and to see that ladies are on duty to help with the treatment. Anyone interested in helping please contact the chairman.

Mr. Ernest Larson, in his usual pleasant way, acted as a very able installing officer. He also presented Mrs. Funkh with a much earned past president's pin. Officers installed were president, Mrs. Jack Fenton, vice president Mrs. Robert Lovell; teacher vice-pres. Robert Bovee (by proxy Elmer Fenton, acting); Mrs. Phil Smith, treasurer and Mrs. Tony Buron secretary. During the ceremony Mrs. Floyd Taylor played and sang "My Task", a very appropriate selection for the occasion. Mrs. Funkh spoke a few words as she turned the gavel over to the incoming president.

Mrs. Fenton closed the meeting after which refreshments were served by Mrs. A. J. Sorenson, Mrs. Robert Hayes, Mrs. C. R. Keyport, Mrs. Don Gothro, Mrs. Barney Engel, Mrs. Bill Joseph and Mrs. Lewis Stillwagon on behalf of the 5th grade. Mrs. Joseph Stripe and Mrs. Robert Strong presided at the refreshment table.

Preceding the meeting a potluck dinner sponsored by the outgoing officers was served. Guests were the new officers and their husbands, the Rev. and Mrs. Healy, Mr. and Mrs. Ernest Larson and Mrs. June Taylor. Mrs. Otis Hunter, Mrs. Joseph Hull and Mrs. Charles Kroll were in charge of arrangements and also acted on the kitchen and serving committee. Those attending express their appreciation to the committee for a very fine dinner.

## Dear Lake News

By M. D. the Moving Reporter

Things are a little quiet around the lake this weekend.

The Bud Batzloff family and friends were at their cabin on Cub Lake.

Ella and Gil Symonns are leaving for home, "Ohio," tomorrow for the rest of the summer.

The Jap Lusks from Jackson are up and Mrs. Lusk will be here for the rest of the summer.

The Table Top Ox Roast at Mead's Landing that was held last Sunday was very much a success. A nice crowd, and the meat was as delicious. And plenty of free sun tan.

The Kalkaska Chamber of Commerce held a meeting last Tuesday at the Kalkaska Hotel with a very good crowd there. The Shoemakers served coffee and fried cakes and Mrs. Ruth Trimmer read this little article which I think worth repeating:

Fifteen children from Bear Lake Township, who attend Grayling School, enjoyed a trip to Mackinac Island, Thursday, June 6th. The children were taken in three station wagons furnished and driven by Mrs. George Allen, Mrs. Marine Smith and Mr. Corliss Stamply.

The children enjoyed the Surrey Trip, they traveled around the island on rented bikes, and had all they could eat, whatever they wanted to eat, when ever they wanted to eat. The weather was not the finest but was not as bad as it could have been.

The children were delivered to their homes, tired but happy. There were also some very tired adults, without whose help the trip could not have been a success.

The Bear Lake Scho' Board wishes to thank the drivers for their help and cooperation and also the children, for being so good.

E. Wynant, Sec'y.

Boost a Bit

If you think your town the best. Tell 'em so.

If you would have it lead the rest. When there's always count on you.

If you're used to giving knocks change your style. Throw bouquets instead of rocks for a while.

Knock the knocker off his perch. Boost your pastor and your church. When a stranger from a far comes along tell him who and what you are.

Make it strong, never flatter. Never bluff, tell the truth for that's enough.

Be a Booster that's the stuff.

## Twin Bridges

By Mrs. Lucile Buchler

Mr. and Mrs. Arthur Wilder returned to their home in Jackson after spending a few days at their lodge near Twin Bridges. They plan a business trip to Florida in the near future and will return to Lovells about August 1st for the remainder of their vacation.

Several of our summer residents met with the Woman's Club Thursday evening at their club room and helped with plans for their bazaar to be held July 6th at the Town Hall of Lovells. Most of the evening was spent working on a quilt after which a fine pot luck supper was enjoyed by all.

Mrs. Paul Loeffler and Mrs. Fred Herrick spent Thursday in Gaylord.

We understand there have been several nice catches made in our North Branch recently.

Our swallows have returned again this year and are busily building their nest under the eaves of our cabin.

Mrs. B. J. Mundt is spending a few days in Sanford, Mich., with her daughter, Mrs. James Hove and family.

The Hoffman family of Indiana are at their cottage this weekend. Angie Parnack of Detroit was a caller in the Fred Herrick home Saturday.

## BRIDAL SHOWER HELD

On Friday evening, May 25th, the ladies of Calvary Baptist church gave a bridal shower for Miss Sue Borchers in the church basement.

Paper daisies, butterflies and streamers made a gay background for the gift table which held a ribbon bedecked parasol.

The luncheon table was pretty with white carnations and candles, and was centered with a wedding cake; each serving was decorated with individual wedding bells. Sally Hummel, sister of the bride-elect, poured for the 46 guests present.

Sue received many lovely and useful gifts.

**STARTLING FACT**  
5 out of 10 Smaller Cars  
wear a Pontiac Price Tag  
—yet none gives you Any  
of Pontiac's Advantages

**PONTIAC GIVES YOU UP TO 8.5%  
MORE SOLID CAR PER DOLLAR!**

Not one of the smaller cars can give you the heavy-duty construction, the road-hugging hold and solid security that surround you in every Pontiac. Yet Pontiac's the nimblest heavy-weight you ever managed—and your Pontiac dealer can show you more than six dozen advanced engineering reasons why! Pontiac has gone all out to make this genuine built car the best behaved beauty that you ever had the pleasure of bossing. You'll find Pontiac's exclusive Precision-Touch Controls make steering and braking the surest, easiest you've ever experienced! Park it, cruise it, try it in stop-and-go traffic... this is driving the smaller jobs can't duplicate!

**PONTIAC GIVES YOU  
4 TO 7 INCHES MORE WHEELBASE!**

The small cars extend bumpers and fenders to look big—but Pontiac puts the extra length where it counts—between the wheels! Pontiac's longer stride brackets the bumps instead of riding on them. And this extra length shows up in ride, too, in stretch-out space for six footers. Add to Pontiac's bonus in length its all-new suspension system and you have an exclusive level-line ride no car at any price can surpass... and a built-in sense of direction and security that will spoil you for the smaller cars forever!

**PONTIAC'S PERFORMANCE TOPS  
THE BEST THE SMALL CARS CAN  
OFFER—BY A WIDE MARGIN!**

Not one of the smaller cars can measure up to Pontiac Performance. Whether you judge a power plant by engineering statistics or on-the-road performance, Pontiac's Strato-Streak V-8 stands head and shoulders above anything in the low-price field. Your Pontiac dealer will be happy to show you a complete facts-and-figures comparison—then an eye-opening test drive in traffic or out on the highway will supply all the heart-lifting proof you need that Pontiac has separated the men from the boys when it comes to performance!

**—AND PONTIAC HAS ALWAYS  
BEEN FAMOUS AS ONE OF  
AMERICA'S TOP TRADE-INS!**

Maybe it comes as a surprise to you that so much more car can be yours at the same price you've seen on the smaller cars. But there's the fact! And Pontiac is a wonderful investment, too! As you know, it has always commanded a top trade-in. So why not step out of the small-car class and into a Pontiac... there's nothing in your way. Your Pontiac dealer has the keys and an eye-opening offer waiting for you right now! So why not look and feel like a million—instead of a million others?

Now if you want the ultimate in both economy and extraordinary performance, try the Power Carburetor... it's available at extra cost on even the lowest priced Pontiac model! It's America's newest power advance and exclusively Pontiac's at so low a cost!
